

JOHNSON COUNTY
LIBRARY FOUNDATION

May 2020

Dear Johnson County Library Supporter,

It is with tremendous optimism that we are writing this letter to announce plans for Library Lets Loose 2020 and to ask for your support. This important fundraiser has become an annual celebration for the Johnson County Library and this year we have an interesting twist; this will be a virtual event! Our goal is to create vibrant online experiences leading up to and on the date, Saturday, September 12. We'll provide the entertainment, music, and friendship.

As you know, the current world emergency has highlighted the value of readily available learning resources for our community during a time with so much uncertainty. As a valued partner in our community, the Library has remained available 24/7 with online resources for education, news, and entertainment. We can count on a world of online resources at www.jocolibrary.org to support learning for everyone from anywhere! To keep this treasured community resource available today and in the future, financial support for our Library is critical.

We like to count on you for your sponsorship if at all possible because your contributions will make all the difference providing essential resources to the Library!

We express our heartfelt appreciation for your consideration and will be pleased if you would join us as a key sponsor this year.

Most Sincerely,

Handwritten signatures of Cindy Wallis-Lage and Kent Lage in blue ink.
